

TWN3 NFC Starter Kits

13.56MHz Contactless Reader/Writer

TWN3 Desktop Reader

Snap-In Holder

ISO Cards

Key Fobs

The family of TWN3 RFID transponder readers/writers is designed for easy integration into various applications. It supports all major transponders from various suppliers like ATMEL, EM, ST, NXP, TI, HID, LEGIC, INSIDE etc. and ISO standards like ISO14443A including ISO14443A-4 (T=CL), ISO14443B including ISO14443B-4 (T=CL), ISO15693, ISO18092 / ECMA-340 (NFC).

The TWN3 NFC (Near Field Communication) starter kits provide the tools, documentation and code samples required to successfully integrate and develop contactless smart card applications. The Mifare NFC starter kit contains one ISO/IEC 7816 slot - SAM (Secure Access Modul) for improved security and cryptography.
